GUIDE FOR OPEN TOP CONTAINER INSPECTION RELEASED

BRIARCLIFF MANOR, NEW YORK— Today, IICL President Henry F. White announced the release of the Institute's latest publication entitled, "The Guide for Open Top Container Equipment Inspection". This manual, the first of its kind, was developed to address not only the inspection of components but cleaning decisions specific to these containers.

"Open Top containers serve as an important equipment type utilized by our industry", stated Gary Danback, IICL Director of Technical Services. "The IICL Open Top Manual will for the first time address in detail the inspection of components unique to these containers".

Representatives from the IICL member companies who supervised the project were: Lew Vitalis of Transamerica Leasing Inc., Robbie Burns of Amficon and Bill Brassington of GeSeaco.

The manual may be purchased at the introductory price of US\$35.00 via IICL's Online Store at www.iicl.org

IICL member companies include Amficon, CAI, Carlisle, Cronos, Flexi-Van, Florens, GE SeaCo, Gold, Interpool, Textainer, Trac, Transamerica and Triton.
