Please answer the three (3) questions below:

1. Please explain below why you are applying for this scholarship. To complete this application, you must submit some documentation as proof of financial need, such as a copy of your tax form, compensation documentation, etc. (IICL will not consider applications without such documentation). All information that you provide IICL about your financial status will be kept in the strictest confidentiality. IICL would like to award scholarships to those who have a serious need and who are not able to afford the cost of taking the exam without undue hardship. If necessary, please continue on a separate sheet of paper.

2. Please describe your future plans in the container industry.

3. On a separate piece of paper, describe why you think container inspection is important to the container industry, in **150 to 200** words. Essays must be in English, and can be handwritten (if legible) or typed. IICL is interested only in what you think, and will **not** judge your description on how well you write. Please write this in your own words. You may use examples from your own experiences as an inspector or repairer, and are free to express any ideas you have.

- Applicants must submit documentation of financial need with this application (such as copy of tax form or proof of salary).
- Applicants must complete an exam registration **ONLINE ONLY** and follow up by submitting the scholarship application and all related documents via email to info@iicl.org

Visit <https://www.iicl.org/education/certification.cfm> to register for the examination online. Select the “Bill Me” option when the payment section appears so you can continue with the registration.

After the online registration is completed, email info@iicl.org and submit the scholarship form with the online IICL User Account Member ID Number AND all scholarship related documents.

NOTE: Failure to register for the exam online will automatically disqualify applicants from scholarship consideration. Please ensure you register online per guidance above and provide the purchase confirmation or order number that confirms the online registration with this application.
