IICL Elects 2023 Officers

Washington, DC — IICL President, Dennis Lombardi, announced that Olivier Ghesquiere, President and Chief Executive Officer, Textainer Group Holding Limited has been elected to the position of Chairman of the IICL for 2023, succeeding Brian Sondey, Chairman and Chief Executive Officer, Triton International Limited.

The IICL’s Board also elected Daniel Walsh, President and Chief Executive Officer of TRAC Intermodal, as IICL First Vice President; Katherine McCabe, President of CAI International, Inc. as IICL Second Vice President; and Jeremy Matthew, Chief Executive Officer, Seaco Global, as IICL Treasurer. The past Chairman, Brian M. Sondey, Chairman and Chief Executive Officer, Triton International Ltd., also agreed to continue working with the IICL Executive Committee for another year.

“On behalf of the IICL’s Board of Directors and staff, I would like to thank Mr. Sondey for his year of leadership as Chairman during a transitional and challenging year for IICL members” said Lombardi, “and we look forward to 2023 under Mr. Ghesquiere’s Chairmanship.”

“The supply chain experienced continued turbulence in 2022, but IICL members adapted to work with their customers to provide needed equipment in a very dynamic trade environment. We expect 2023 to continue to challenge our members to keep pace with evolving needs of the transportation industry,” said Mr. Ghesquiere.

Olivier Ghesquiere was appointed President and Chief Executive Officer as well as a member of the Board of Directors of Textainer Group Holding Limited in August of 2018 after joining the company in 2016. He brings more than 30 years of international experience in transport asset management and leasing industries.

Prior to joining Textainer, Mr. Ghesquiere worked at Ermewa Group as Chief Executive Officer where he was responsible for growing the railcar and locomotive fleet to become the second largest in Europe. During that time, he was also chairman of Eurotainer SA, a leader in specialized tank container leasing. He previously held various management positions for the Brambles Group, an Australian listed supply chain logistics company.

Mr. Ghesquiere holds a degree in Applied Economics from the University of Louvain, Belgium.

Organized in 1971, the IICL is a trade association, representing lessors of maritime containers and intermodal chassis. Its member companies, CAI International, Inc., Direct ChassisLink, FlexiVan, Seaco Global, SeaCube Container, Textainer Group Holdings Limited, TOUAX, TRAC Intermodal, and Triton International Limited, own or manage a significant portion of the global leased container and U.S. chassis fleets.

The IICL is active in technological, educational, safety, environmental, governmental, regulatory, and security issues. Complementing its widely accepted industry standards and best practices, the IICL offers its inspector certification examinations for containers and chassis in more than 5,000 locations around the world, supported by publications, tools and courses.
